

May 23, 1975

that's the way the amendment was presented on the floor of the Legislature. That's what was adopted by this body. 1832.

PRESIDENT: Proceed with the reading Mr. Clerk.

CLERK: Read title.

(machine turned off)

PRESIDENT: We're happy to welcome to the chamber 18 grade school students from Lindsay, Nebraska, Lindsay Holy Family. That's in Senator Dworak's district. Very happy to have you students with us in the South balcony.

It's also appropriate that we acknowledge the fact that tomorrow both Senator and Mrs. John Savage, and Senator and Mrs. Richard Maresh will celebrate their wedding anniversaries. Congratulations to both of you.
